Testimonial

We are a group of companies engaged in real estate and international trade. We have manufacturing operations outside Canada, conducted through our foreign affiliate's subsidiaries. Tavana & Co. have been our accountants and tax advisors since our incorporation date some eleven years ago. They have always been available to help us with difficult tasks: be it participating in negotiations for the sale of a business; an acquisition overseas; dealing with the Canada revenue agency and foreign government agencies; or the acquisition of real estate. In providing their services, they have exceeded our expectations. They have been and will be part of success. We highly recommend them to anyone who needs an advisor with the same interest in the business as a dedicated partner.
